NOTICE TO THE SHARE-HOLDERS OF THE 61ST ANNUAL GENERAL MEETING

Notice is hereby given that the 61st Annual General meeting of the members of Bimetal Bearings Limited will be held on Monday the 1st August 2022 at 4.00 p.m. Indian Standard Time ("IST"). The Annual General Meeting shall be held by means of Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM") to transact the following businesses:

Ordinary Business:

- 01) To receive, consider and adopt the audited financial statements (including consolidated financial statements) of the Company for the financial year ended 31st March 2022 together with the Reports of the Directors and the Independent Auditors and to pass the following resolution as an ordinary resolution:
 - "Resolved that the audited financial statements (including consolidated financial statements) including Statement of Profit and Loss for the year ended on 31st March 2022, the Balance Sheet as on that date, the annexures thereto, the Cash Flow Statement for the year ended as on 31st March 2022, the Reports of Independent Auditors and Directors thereon be and are hereby received and adopted".
- 02) To declare a dividend and to consider and if thought fit to pass with or without modification(s) the following resolution as an ordinary resolution:
 - "Resolved that a Dividend of Rs.8/- per share out of the current year's profit of the Company for the year ended 31st March 2022 amounting to Rs.3,06,00,000/- be declared and paid".
- 03) To appoint a director in place of Mr.S.Narayanan, Whole-time Director (DIN 03564659) who retires by rotation and being eligible offers himself for re-appointment and to pass the following resolution as an ordinary resolution:
 - "Resolved that Mr.S.Narayanan, Whole-time Director (DIN 03564659), who retires by rotation from the Board pursuant to the provisions of Section 152 of the Companies Act, 2013, be and is hereby re-appointed as a Director of the Company".
- 04) To consider and if thought fit to pass with or without modification(s), the following resolution as an ordinary resolution:

Re-Appointment of Statutory Auditors:

"Resolved that pursuant to the provisions of the Section 139 and other applicable provisions if any of the Companies Act, 2013 and the rules framed there under, M/s.Fraser & Ross, Chartered Accountants (Firm Regn. No.: 000829S) be and are hereby re-appointed as Auditors of the Company to hold the office for a period of 5 years from the conclusion of 61st Annual General Meeting till the conclusion of the 66th Annual General Meeting and that the Board of Directors be and is hereby authorised to fix the remuneration payable to them exclusive of service tax, out of pocket and travelling expenses, as may be mutually agreed between them".

Special Business:

05) To consider and if thought fit, to pass with or without modification(s), the following resolution as an ordinary resolution:

Ratification of Remuneration of Cost Auditors:

"Resolved that pursuant to Section 148 of the Companies Act, 2013, the remuneration fixed at Rs.1,10,000/(Rupees One Lakh and Ten Thousands Only) exclusive of taxes, out of pocket and travel expenses etc., to M/s.C.S.Hanumantha Rao & Co., Cost Accountants (Firm Regn. No.000216) who have been appointed as Cost Auditors by the Board of Directors for the financial year 2022-23 as recommended by the Audit Committee be and is hereby ratified".

06) To consider and if thought fit, to pass with or without modification(s) the following resolution as a Special Resolution:

Re-Appointment and fixing of Remuneration of Mr.S. Narayanan, Whole-Time Director:

"Resolved that pursuant to Sections 196, 197, 203 read with Schedule V to the Companies Act, 2013 (the Act) and other applicable provisions of the Act and the Rules made thereunder including modification(s) or re-enactment(s) thereof, for the time being in force and other applicable provisions, if any, consent of the shareholders be and is hereby accorded to the re-appointment of Mr.S.Narayanan (DIN 03564659) as Whole-time Director of the Company for a further period of 3 (Three) years from 1st November 2021 and payment of remuneration and perquisites as set out in the draft agreement approved at the meeting of the Board of Directors of the Company held on 13th August 2021 or such other remuneration as the Board of Directors may revise / vary from time to time duly recommended in that respect by the Nomination and Remuneration Committee within the overall remuneration approved by the shareholders as detailed in the statement of material facts provided under Section 102 of the Act".

"Further Resolved that in the event of inadequacy of profits or loss during the tenure of his re-appointment, the remuneration payable shall be the same as detailed in the statement of material facts provided under Section 102 of the Act but not exceeding the limits in terms of the proviso to Section II, Part II of Schedule V to the Act".

07) To consider and if thought fit, to pass with or without modification(s) the following resolution as an Ordinary Resolution:

Appointment of Mr.P.S.Rajamani as a Director:

"Resolved that subject to the provisions of Sections 152,160 and other applicable provisions of the Companies Act, 2013 and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and Regulation 17 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (as amended) and as recommended by the Nomination and Remuneration Committee and the Board of Directors of the Company, Mr.P.S.Rajamani (DIN 01560303) who was appointed as an Additional Director effective 27th August 2021 and who holds office upto the date of this Annual General Meeting, be and is hereby appointed as a Director of the Company, subject to retirement by rotation".

Chennai 27th May 2022 By Order of the Board K.Vidhya Shankar Company Secretary (Membership No. ACS 9105)

Statement of Material Facts pursuant to Section 102 of the Companies Act, 2013.

For Item No.05:

Your Company pursuant to the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 had appointed M/s.C.S.Hanumantha Rao & Co., Cost Accountants (Firm Regn. No.000216) for the financial year 2022-23 towards carrying out the cost audit of the products manufactured by the Company. As per the provisions of the Companies Act, 2013, the remuneration payable to the Cost Auditors should be ratified by the members. The necessary resolution under Item No.5 is placed before the members for their consideration and approval. None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested in the resolution.

For Item No.06:

At the Board Meeting held on 13th August 2021, Mr.S.Narayanan was re-appointed as a Whole-time Director for a further period of 3 (Three) years from 1st November 2021 pursuant to Sections 196, 197 and 203 and other applicable provisions of the Act read with Schedule V to the Act. The terms and conditions relating to the re-appointment of Mr. S. Narayanan as a Whole-time Director are listed below.

Salary: Rs.2,75,000/- (Rupees Two Lakhs and Seventy Five Thousands Only) per month.

Special Allowance: Rs.1,60,000/- (Rupees One Lakh and Sixty Thousands Only) per month.

Performance Bonus : Not exceeding Rs.20,00,000/- (Rupees Twenty Lakhs Only) per financial year as may be recommended by the Nomination and Remuneration Committee and decided by the

Board of Directors.

Perquisites : To be allowed in addition to Salary and Performance Bonus as listed below:

a) House Rent Allowance : Rs.1,65,000/- (Rupees One Lakh and Sixty Five Thousands Only) per month.

b) Reimbursement : Reimbursement of expenses incurred on gas, electricity, water and furnishings not

exceeding one month's salary per annum.

c) Medical Reimbursement : Expenses incurred by the Whole-time Director and his family not exceeding one month's

salary per annum.

d) Leave Travel Concession : For the Whole-time Director and his family not exceeding one month's salary per annum.

e) Club Fees : Fees for One Club which will not include Admission and Life Membership Fees.

f) Personal Accident Insurance : Premium for cover as per the rules of the Company.

g) Contribution to Super-annuation Fund at 15% of Basic Salary will be allowed

h) Leave eligibility as per rule of the Company shall be allowed.

The Whole-time Director shall be entitled to all expenses including reimbursement of travelling and entertainment expenses incurred in the course of the Company's business, which shall not be treated as a perquisite. All the above perquisites shall be evaluated as per Income Tax Rules wherever applicable. In the absence of any such rules, the perquisites shall be evaluated at actuals. Apart from the remuneration aforesaid, the Whole-time Director shall be eligible for provision of car with driver and communication facilities and these will not be considered as perquisites. He is not entitled to sitting fees. He is liable to retire by rotation.

Any variation of the above perquisites or any other perquisites as may be approved by the Nomination and Remuneration Committee / Board from time to time is permissible.

Minimum Remuneration: In the event of absence or inadequacy of profits in any financial year during the tenure of his re-appointment, the remuneration to the Whole-time Director by way of salary and perquisites shall not exceed the limits specified in Section II of Part II of Schedule V to the Companies Act, 2013 from time to time or such other limits as may be notified by the Government from time to time as Minimum Remuneration and confirming to and within such limit as may be specified by the Nomination and Remuneration Committee / Board of Directors.

Termination: The contract can be terminated by either party by giving three calendar months' notice. The agreement which has been approved by the Board of Directors at their meeting held on 13th August 2021 detailing therein the terms and conditions detailed above along with the responsibilities and duties to be discharged by the Whole-time Director in that capacity has been entered into with him.

The remuneration payable to Mr.S.Narayanan from 1st November 2021 has been recommended by the Nomination and Remuneration Committee taking into consideration the present needs and his contribution to the Company has been approved at the Board Meeting held on 13th August 2021. The terms of re-appointment of Mr.S.Narayanan as Whole-time Director of the Company and the related remuneration payable to him needs approval of the members by means of passing a special resolution at a General Meeting of the Company. Hence, the special resolution under Item No.6 is proposed for consideration of the members.

Mr.P.S.Rajamani, Director has furnished the requisite declaration under Section 164(2) of the Companies Act, 2013 and other applicable provisions of the Act including the rules framed thereunder.

Notes:

- A statement pursuant to Section 102 of the Companies Act, 2013, setting out all material facts relating to the relevant resolutions of this Notice is annexed herewith and the same should be taken as part of this Notice. Further, as required under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as the "Listing Regulations") and the provisions of the Secretarial Standard No. 2 on General Meetings, a brief profile of the directors proposed to be appointed and re-appointed has been set out in the Explanatory Statement to this Notice.
- 2. All relevant documents referred to in this Notice requiring the approval of the members at the meeting shall be available for inspection by the Members. Members who wish to inspect the documents are requested to send an email to vidhyashankar@bimite.co.in / csdept@bimite.co.in mentioning their Name, Folio No. / Client ID and DP ID and the documents they wish to inspect, with a self-attested copy of their PAN Card attached to the e-mail. The notice and the Annual Report are also available at the following link-https://www.bimite.co.in/annualreport2022 (Company's website) and also at www.bseindia.com (official website of M/s.BSE Limited).
- 3. The register of members and Share Transfer Books of the Company under the physical mode will remain closed from 26th July 2022 to 1st August 2022 (both days inclusive). In the case of dematerialised shares, the Dividend that may be declared at the 61st Annual General Meeting will be paid to the members whose names appear in the Beneficiary Position list submitted by NSDL and CDSL as on 25th July 2022. In the case of other holders, the dividend amount will be paid to members whose names appear in the Register of Members as on the date of the 61st Annual General Meeting.
- 4. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote, provided the votes are not already cast by remote e-voting by the first holder.
- 5. Members may note that the Income-tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after April 1, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of the dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit the relevant documents, as specified in the following paragraphs, in accordance with the provisions of the IT Act.

For resident shareholders:

Taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid Permanent Account Number ("PAN") : 10% or as notified by the Government of India

Members not having PAN / valid PAN : 20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to resident individuals, if the total dividend to be received by them during fiscal 2022 does not exceed Rs.5,000/- and also in cases where members provide Form 15G / Form 15H (Form 15H is applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / nil withholding tax. PAN is mandatory for members providing Form 15G / 15H.

Shareholders are requested to update their Permanent Account Number ("PAN") with the Company and depositaries (in case of shares held in demat mode) on or before 25th July 2022 in order to enable the Company to determine and deduct appropriate tax.

For non-resident shareholders:

Taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge & cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA"), read with Multilateral Instrument ("MLI") between India and the country of tax residence of the member, if they are found to be beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian Income tax authorities duly attested by the member or details as prescribed under Rule 37BC of Income-tax Rules, 1962
- Copy of Tax Residency Certificate for fiscal 2022 obtained from the revenue authorities of the country of tax residence, duly attested by the member
- > Self-declaration in Form 10F
- > Self-declaration by the member of having no permanent establishment in India in accordance with the applicable tax treaty
- > Self-declaration of beneficial ownership by the non-resident shareholder
- Any other documents as prescribed under the IT Act for applying lower withholding tax rates if applicable, duly attested by the member

Shareholders may upload / submit the aforementioned documents, to the following e-mail IDs: vidhyashankar@bimite.co.in / sta@gnsaindia.com on or before 25th July 2022 in order to enable the Company to determine and deduct appropriate tax. No communication would be accepted from members after 25th July 2022 regarding tax withholding matters.

- 6. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc.:
 - a. For shares held in electronic form: to their Depository Participants (DPs)
 - b. **For shares held in physical form:** to the Company / Registrar and Transfer Agent in prescribed Form ISR-1 and other forms pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021. The Company has sent letters for furnishing the required details and the shareholders may also refer to the website of the Company (www.bimite.co.in) and the website of Registrar and Transfer Agent (www.gnsaindia.com) for downloading the relevant forms.
- 7. Members are requested to note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate share certificate; claim from unclaimed suspense account; renewal / exchange of share certificate; endorsement; sub-division / splitting of share certificates; consolidation of share certificates / folios; transmission and transposition. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR 4, the format of which is available on the Company's website at www.bimite.co.in and on the website of the Company's RTA at www.gnsaindia.com. It may be noted that any service request can be processed only after the folio is KYC Compliant.
- 8. SEBI vide its notification dated January 25, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.
- 9. As per the provisions of Section 72 of the Act and SEBI Circular Dt. 3rd November 2021, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he / she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website at www.bimite.co.in and from the website of the Company's Registrar and Transfer Agents at www.gnsaindia.com. Members are requested to submit the said details to their DPs in case the shares are held by them in the dematerialized form and to the Company's RTA in case the shares are held in the physical form.
- 10. As per Sections 124 and 125 of the Companies Act, 2013, the unpaid or unclaimed dividend amounts lying in unpaid dividend accounts for a period of seven (7) years from the date of its transfer to the unpaid dividend account and the underlying equity shares of such unpaid or unclaimed dividend amounts, are required to be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. The unclaimed dividend in respect of the financial year 2014-15 is in the process of being transferred to the IEPF in accordance with the provisions of Sections 124 and 125 of the Companies Act, 2013. Such of those shareholders who wish to claim unclaimed dividend for the year 2014-15 are requested to claim by submitting the necessary documents to the Company on or before 15th August 2022. In this regard, suitable communication to the concerned shareholders were sent during the last week of April 2022. The members, whose unclaimed dividends / shares have been already transferred to IEPF, may claim the same by making an online application to the IEPF Authority in Form IEPF-5 which is available in the IEPF's official website i.e. www.iepf.gov.in. For further details on this subject, the share-holders are requested to get in touch with the Company Secretary.
- 11. As per Rule 5 of IEPF (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), information containing the names and the last known addresses of the persons entitled to receive the sums lying in the account referred to in Section 125(2) of the Act, the amount to which each person is entitled, due date for transfer to IEPF, etc. is provided by the Company on its website at the link https://www.bimite.co.in/unpaid dividend details and also on the website of the IEPF Authority. The concerned members are requested to verify the details of their unclaimed dividend, if any, from the said websites and lodge their claim with the Company's RTA, before the unclaimed dividends are transferred to the credit of IEPF Account. The Company's RTA in this regard has also intimated by sending a communication to all the Members whose dividends have remained un-encashed, with a request to send the requisite documents for claiming un-encashed dividends.
- 12. Members desiring any information relating to the annual accounts of the Company for the year ended 31st March 2022 are requested to send an email to the Company at vidhyashankar@bimite.co.in / csdept@bimite.co.in at least ten (10) days before the meeting.
- 13. In view of continuing social distancing norms due to Covid-19, the Ministry of Corporate Affairs (MCA), vide its General Circular Nos. 14/2020 dated 8th April, 2020, 17/2020 dated 13th April, 2020, 20/2020 dated 5th May, 2020, the latest being 2/2022 dated 5th May, 2022 and Securities and Exchange Board of India (SEBI) vide its Circular No. SEBI/HO/CFD/CMD2/CIRP/P/2022/62 dated 13th May, 2022, and other applicable circulars issued in this regard, have allowed the companies to conduct AGM

through VC / OAVM till 31st December 2022 without physical presence of members at a common venue. In accordance with the applicable provisions of the Act and the said Circulars issued by MCA and SEBI, the 61st Annual General Meeting of the Company shall be conducted through VC / OAVM. National Securities Depositories Limited ('NSDL') will be providing facilities for voting through remote e-voting, for participation in the AGM through VC / OAVM and also for e-voting during the AGM.

Further it is informed that electronic copies of the Annual Report and the Notice of the 61st AGM inter alia indicating the process and manner of e-voting along with instructions to attend the Annual General Meeting through video-conferencing / other audio-visual means will be sent by email to those Members whose email addresses have been made available to the Company / RTA/ Depository Participants as on 1st July 2022. For Members who have not registered their email addresses, kindly register the same by submitting Form ISR-1 available in the website of the Company and RTA. The physical copies of Annual Report-2022 will be sent only to such of those share-holders who would make a valid request in this regard and had not registered their e-mail IDs with the Company.

- 14. Pursuant to the Circular No.14/2020 Dt. 8th April 2020 issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for the 61st AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the 61st AGM through VC / OAVM and participate thereat and cast their votes through e-voting.
- 15. The Members can join the 61st AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the 61st AGM through VC / OAVM will be made available for 1000 members on first come first served basis. This will not include Large Shareholders (shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship cum Investors' Grievance Committee, Auditors etc. who are allowed to attend the 61st AGM without restriction on account of first come first served basis.
- 16. The attendance of the Members attending the 61st AGM through VC / OAVM will be counted for the purpose of reckoning the guorum under Section 103 of the Companies Act, 2013.
- 17. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended) and the Circulars issued by the Ministry of Corporate Affairs, the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the 61st AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the 61st AGM will be provided by NSDL.
- 18. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 Dt.13th April 2020, the Notice calling the 61st AGM has been uploaded on the website of the Company at www.bimite.co.in. The Notice can also be accessed from the website of M/s.BSE Limited at www.bseindia.com and the Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e.www.evoting.nsdl.com.

The Instructions for members for Remote E-Voting and joining the 61st Annual General Meeting are as under:-

The remote e-voting period begins on Friday, 29th July 2022 at 09:00 A.M. and ends on Sunday, 31st July 2022 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e.25th July 2022, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, i.e.25th July 2022. Cut-off date is for determining the eligibility to vote by electronic means or at the meeting. A person who is not a member as on the cut-off date should treat this Notice for information only.

Steps to be followed to vote electronically using NSDL's e-Voting system:

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1 : Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode:

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ID in their demat accounts in order to access the e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Individual Shareholders holding securities in demat mode with NSDL

- 1. Existing IDeAS user can visit the e-Services website of NSDL viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section and this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under the e-Voting services and you will be able to see the e-Voting page. Click on company name i.e. Bimetal Bearings Limited or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting and voting during the meeting.
- 2. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS Portal" or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp
- 3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder / Member' section. A new screen will open. You will have to enter your User ID (i.e. your 16 digit demat account number), Password / OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining the virtual meeting and voting during the meeting.
- 4. Shareholders / Members can also download NSDL Mobile App "NSDL Speede" facility by scanning the QR code mentioned below for seamless voting experience.

Individual Shareholders holding securities in demat mode with CDSL

- 1. Existing users who have opted for Easi / Easiest, can login through their user id and password wherein there is an option to reach the e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on New System Myeasi.
- 2. After successful login of Easi / Easiest, the user will be also able to see the e-Voting menu. The menu will have links of **e-Voting service provider i.e. NSDL.** Click on NSDL to cast your vote.
- 3. If the user is not registered for Easi / Easiest, option to register is available at: https://web.cdslindia.com/myeasi/Registration/EasiRegistration
- 4. Alternatively, the user can directly access the e-Voting page by providing demat Account Number and PAN No. from a link availbale in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. After successful authentication, user will be provided links for the respective ESP i.e. NSDL where the e-Voting is in progress.

Individual Shareholders (holding securities in demat mode) login through their depository participants

You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for availing the e-Voting facility. Upon logging in, you will be able to see e-Voting option. Click on e-Voting option and you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on Company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting and voting during the meeting.

Important note:

Members who are unable to retrieve User ID / Password are advised to use Forget User ID and Forget Password option available at the above mentioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository (i.e. with NSDL and CDSL).

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022-23058738 or 022-23058542-43

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

Log-in to NSDL e-Voting website:

- 1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com either on a Personal Computer or on a Mobile.
- 2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder / Member' section.
- A new screen will open. You will have to enter your User ID, your Password / OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDeAS, you can log-in at https://eservices.nsdl.com with your existing IDeAS login. Once you login to NSDL eservices after using your login credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a. For members who hold shares in demat Account with NSDL	8 Character DP ID followed by 8 Digit Client ID. For example, if your DPID is IN300******** and Client ID is 12******* then your user ID is IN300*** 12******
b. For members who hold shares in demat Account with CDSL	16 Digit Beneficiary ID For example, if your Beneficiary ID is 12******* then your user ID is 12************************************
c. For members holding shares in Physical form.	EVEN Number followed by Folio Number registered with the Company For example, if EVEN is 123456 and folio number is BL**** then user ID is 123456BL****

- 5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - i) If your email ID is registered in your demat account or with the Company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL

- account, last 8 digits of Client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
- ii) If your email ID is not registered, please follow the steps mentioned below in **process for those shareholders** whose email IDs are not registered.
- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details / Password?"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) Click on "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number / folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- 1. After successful login at Step 1, you will be able to see all the Companies "EVEN" in which you are holding shares and whose voting cycles and General Meetings are in active status.
- 2. Select "EVEN" of Company i.e.120071 for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC / OAVM" link placed under "Join Meeting".
- 3. Now you are ready for e-Voting as the Voting page opens.
- 4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify / modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- 5. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

- 1. Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution / Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to sankar@ksrandco.in with a copy marked to evoting@nsdl.co.in. Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
- 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details / Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
- 3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 and send a request to NSDL official, Ms.Pallavi Mhatre, Manager at evoting@nsdl.co.in.

Process for those shareholders whose email IDs are not registered with the depositories for procuring User ID and Password and registration of email IDs for e-voting for the resolutions set out in this notice:

- In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to vidhyashankar@bimite.co.in.
- 2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) to vidhyashankar@bimite.co.in. If you are an Individual shareholder holding securities in demat mode, you are requested to refer to the login method explained at Step 1(A) i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
- Alternatively shareholders / members may send a request to evoting@nsdl.co.in for procuring User ID and Password for e-voting by providing above mentioned documents.

4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by the Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access the e-Voting facility.

The Instructions for members for e-Voting on the day of the Company's 61st AGM are as under:-

- The procedure for e-Voting on the day of the 61st AGM will be the same as the instructions mentioned above for remote e-voting.
- 2. Only those members / shareholders, who will be present in the 61st AGM through VC / OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the meeting.
- 3. Members who have voted through Remote e-Voting will be eligible to attend the 61st AGM. However, they will not be eligible to vote at the meeting.
- 4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the 61st AGM shall be the same person mentioned for Remote e-voting.

Instructions for members for attending the Company's 61st AGM through VC / OAVM are as under:

- 1. Members will be provided with a facility to attend the Company's 61st AGM through VC / OAVM through the NSDL's e-Voting system. Members may access by following the steps mentioned above for Access to NSDL e-Voting system. After successful login, you can see the "VC / OAVM link" placed under "Join meeting" menu against the Company's name. You are requested to click on VC / OAVM link placed under Join General Meeting menu. The link for VC / OAVM will be available in Shareholder / Member login where the EVEN of Company i.e.120071 will be displayed. Please note that the members who do not have the User ID and Password for the e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.
- 2. Members are encouraged to join the Meeting through Laptops for better experience.
- Further members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
- 4. Please note that Participants connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio / Video loss due to fluctuations in their respective network. It is therefore recommended to use stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- 5. Shareholders who would like to express their views / have questions may send their questions in advance mentioning their name / demat account number / folio number / email id / mobile number at vidhyashankar@bimite.co.in. The same will be replied by the Company suitably.

Speaker Registration for the Company's 61st Annual General Meeting:

Members who would like to express their views or ask questions during the 61st AGM may register themselves as a speaker by sending their request from their registered e-mail address mentioning their Name, DPID / CLID, Folio No., PAN No., Mobile No. to vidhyashankar@bimite.co.in on or before Monday,25th July 2022. Those members who have registered themselves as a speaker will be allowed to express their views / ask questions during the meeting. The Company reserves the right to restrict the number of speakers depending on the availability of time for the meeting.

Scrutinizer and Voting Results:

Mr.V.R. Sankaranarayanan, Partner (FCS: 11684), M/s. KSR & Co Company Secretaries LLP, has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.

The results of the voting will be announced within 48 hours after the conclusion of the meeting and will be communicated to M/s.BSE Limited, Mumbai. Further the voting results will also be displayed in the Company's website www.bimite.co.in immediately.

Since the AGM will be held through VC / OAVM, the Route Map is not annexed to this notice.

REPORT OF DIRECTORS

Your Directors have pleasure in presenting the Sixty First Annual Report covering the operations for the year ended 31st March 2022 together with the accounts and Auditors' Report thereon.

FINANCIAL RESULTS:	Year ended 31-03-2022	Year ended 31-03-2021
	(Rs. in Lakhs)	(Rs. in Lakhs)
Net Revenue	19,692.85	15,846.41
Profit before Interest, Depreciation and Taxation	1,181.60	973.30
Less: Interest	43.70	47.69
Depreciation	627.13	550.84
Profit before Tax	510.77	374.77
Less : Taxation [including Deferred Tax]	140.26	(19.72)
Profit after Tax	370.51	394.49
Other Comprehensive Income	683.62	1,119.59
Total Comprehensive Income for the year	1,054.13	1,514.08
Earnings per share (INR) (Basic & Diluted)	9.69	10.31

Operations:

The period after the severe impact created by the Pandemic was of caution. The demand created due to requirements in the market, post the pandemic, in various segments was satisfactory. With the first half registering a flat growth the second had a better mix of segments showing performance better than the previous year. All segments did well albeit conditioned by the availability of critical components and on an annual basis the automotive industry recorded a better growth from the previous year. The overall growth for the Company was 24% as compared to previous year. The issues faced with increase in prices of steel and all Non-Ferrous metals along with availability was a challenge during the last year. The industry had migrated to BS VI standard and the Company has solutions to suit the requirements which resulted in the increase in product sales for the year. The forecast for the current year both in the domestic and export market has been good and we hope to build on the efforts taken continuously to improve and enhance our presence with all OEM's.

Dividend:

Your Directors recommend a dividend of Rs.8/- per share (previous year: Rs.8/- per share) amounting to Rs.3,06,00,000/- on the paid up capital for the financial year ended 31st March 2022.

Reserves

Your Directors have not recommended any transfer to the General Reserve for the year ended 31st March 2022 and hence the General Reserve remains at Rs.14.553.81 Lakhs.

Transfer of Unclaimed Dividend to Investors Education and Protection Fund:

Pursuant to the provisions of Section 125(2) of the Companies Act, 2013, the Company has transferred the unclaimed dividend amounts referable to the year ended 31st March 2014 to the credit of the Investor Education and Protection Fund during the year under review well before their respective due dates. The shares on which dividend / corporate action remained unclaimed for a period of seven years were also transferred to the designated account of the IEPF.

Subsidiaries, Associates and Joint Ventures:

Details of Joint Venture: M/s.BBL Daido Private Limited, a Joint Venture Company with M/s.Daido Metal Company Ltd., Japan has achieved a turn-over of Rs.11,496.09 Lakhs and earned a profit / (loss) of Rs.497.97 Lakhs and Rs.366.58 Lakhs before and after taxes respectively for the year 2021-22 as against a turnover of Rs.8,944.41 Lakhs and a profit before and after tax of Rs.(65.68) Lakhs and Rs.(39.94) Lakhs respectively for the previous year 2020-21. The Investments made by the Company in the Joint Venture Company have been giving satisfactory returns.

Details of Subsidiaries / Associate Company: Your Company is not having any subsidiary and hence the disclosure regarding the same will not arise. M/s.IPL Green Power Limited, an Associate Company was liquidated subsequent to the orders passed by the NCLT (Chennai) on 23rd November 2021. Hence the consolidation of the financials of M/s.IPL Green Power Limited with the Company for the year ended 31st March 2022 does not arise.

Pursuant to Section 129(3) of the Companies Act, 2013 read with Rule 5 of the Companies (Accounts) Rules, 2014, a statement containing the salient features of the financial statements of the Company's Joint Venture in Form AOC-1 is attached as **Annexure - H** to this report.

Consolidated Financial Statements:

The consolidated financial statements of your Company for the financial year 2021-22 are prepared in compliance with applicable provisions of the Companies Act, 2013 read with the Rules issued there under, applicable accounting standards and the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The consolidated financial statements of your Company take into account the financial statement prepared by the management of M/s.BBL Daido (P) Limited, a Joint Venture Company.

Deposits:

The Company did not accept any deposits within the meaning of provisions of Chapter V—Acceptance of Deposits by Companies under the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 and its subsequent amendments.

Directors and Key Managerial Personnel and Independent Directors:

Retirement by Rotation: Mr.S.Narayanan, Whole-time Director is retiring at the ensuing Annual General Meeting and being eligible offers himself for reappointment.

Changes in Directors and Key Managerial Personnel: Mr.N.P.Mani, Non-Executive Director had resigned from his post with effect from 22nd July 2021. The Board wishes to place on record the contribution made by Mr.N.P.Mani who has been associated with the Company for a long time. Mr.P.M.Venkatasubramanian whose second term as an Independent Director expired on 22nd July 2021. Mr.S.Narayanan was re-appointed as Whole-time Director at the Board Meeting held on 13th August 2021 with effect from 1st November 2021 for a period of three years subject to approval by the shareholders. The necessary resolution for the approval of shareholders is placed for the consideration of the members at the ensuing annual general meeting. Mr.P.S.Rajamani was appointed as an Additional Director by the Board of Directors at their meeting held on 27th August 2021. The necessary resolution for regularizing his appointment as a Director is placed for the consideration of the members at the ensuing annual general meeting.

Independent Directors: All the Independent Directors of the Company have declared that they meet the criteria of Independence in terms of Section 149(6) of the Companies Act, 2013 and the applicable provisions of the SEBI (LODR) Regulations, 2015 and there is no change in their status of Independence.

Further the disclosures as stipulated under Section 178(3) and other applicable provisions of the Companies Act, 2013 are placed in the Company's website and the necessary disclosures are made in the Corporate Governance Section.

Board Evaluation:

The annual evaluation process of the Board, its committees and individual Directors for the year 2022 was conducted as per the provisions of the Companies Act, 2013 and the Listing Regulations. In order to maintain a high level of confidentiality, the process was carried out without the participation of the concerned Directors / Members. The Board has undergone a formal review which comprised Board effectiveness and allied subjects. The Board also reviewed the workings of the various committees and sub-committees.

Pursuant to the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015, Independent Directors at their meeting held on 11th February 2022 considered / evaluated the Board's performance, Committees and performance of the Chairman and other Non-independent Directors.

Board meetings and Committee meetings held during the year:

During the year ended 31st March 2022, Five (5) meetings of the Board of Directors were held. The details of the meetings, composition of the Board, its committees and the attendance by the Directors are furnished in the Corporate Governance Report which is attached as **Annexure-B** to this Report.

Auditors:

M/s.Fraser & Ross, Chartered Accountants (Firm Regn. No.: 000829S) were appointed as Statutory Auditors of your Company at the 56th Annual General Meeting held on 21st July 2017 for a term of five consecutive years. As per the provisions of Section 139 of the Companies Act, 2013, the firm of Statutory Auditors can be re-appointed for a further period of five years. The 2nd term of five years will commence from the conclusion of the 61st Annual General Meeting and will end at the conclusion of 66th Annual General Meeting to be held in the year 2027. Based on the recommendation received from the Audit Committee, the Board of Directors propose to appoint M/s.Fraser & Ross, Chartered Accountants for a second term of five years and the necessary resolutions are placed for the consideration of the members. Further the Company had obtained the necessary certificate under Section 141 of the Act conveying their eligibility and their consent to get appointed as the Company's Statutory Auditors for a period of 5 years as their second term from the conclusion of the 61st Annual General Meeting. ANNEXURE-A TO THE DIRECTORS' REPORT:

PARTICULARS OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION & FOREIGN EXCHANGE EARNINGS AND OUTGO FOR THE YEAR 2021-2022

A) Conservation of energy

Energy conservation measures taken

The manufacturing plants at various locations have continued their efforts to reduce the energy consumption. Energy conservation initiatives are being planned and implemented across manufacturing locations. Apart from regular practices and measures for energy conservation, many new initiatives were driven across all the units. Some of the key measures taken in all the plants are as follows:

- Replacement of conventional lighting fixtures with Energy efficient LED lamps and solar tube lights in plants
- Optimization of pneumatic systems by reducing air consumption vis-a-vis power consumption
- Introduction of roop to top poly carbon strips to avail natural lights
- Revamping of furnaces done to reduce chamfer size and result in reduction of power consumption

ii) The steps taken by the Company for utilizing alternate sources of energy - Nil

iii) The Capital Investment on Energy Conservation Equipment

The Company has spent Rs.182.65 Lakhs as capital investment yielding energy conservation equipment / activities during the financial year 2021-2022

B) Technology Absorption

i) The efforts made by the Company towards technology absorption

The Company has been developing its own technical skills in all areas related to friction technology and developing it in its products and designs. This has helped to work with a wide range of customers in the domestic and overseas markets for development of products.

Newer Materials development

- The requirements driving changes are :
 - Newer emission norms implementation coming into force
 - Aiming at Zero / Minimum emission level
 - Fuel efficiency and reduced oil consumption
 - Friction reduction at engine level
- Company has invested and created infrastructure facilities to meet the challenges of newer powder requirements
- Company is also developing materials for higher load carrying capacity
- With all the new materials developed, the Company is able to meet the requirements of OEMs to meet BS-VI / Trem-5 / CPCB-IV norms & beyond successfully

Technology Implementation

Technology implementation at all levels progressed satisfactorily during the last year. This has resulted in the improvement of production capability, reduction in wastage and the use of unique process to achieve reliable products.

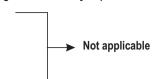

ii) The benefits derived like product improvement, cost reduction, product development or import substitution.

The Company had engaged in the following:

- New product development (NPD) to meet the rapid changes in engine technology due to strict emission norms.
- New material development (NMD) to meet the requirement of various applications.
- Continuous efforts to enhance the product performance to meet the full life cycle of engine / vehicle.
- · Continuous efforts for VAVE with optimized design and cost reduction.

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year)

- a) The details of technology imported
- b) The year of import
- c) Whether the technology been fully absorbed
- d) If not fully absorbed, areas where absorption has not taken place, and the reason thereof

iv) The expenditure incurred on Research and Development (Rs.Lakhs)

Particulars	2021-2022	2020-2021
Capital	38.10	-
Revenue	73.55	69.31
Total	111.65	69.31

C) Foreign Exchange earnings and outgo.

Foreign exchange earned in terms of actual inflows during the year 2021-2022 was Rs. 3991.95 Lakhs (Equivalent value of various currencies) Foreign exchange outgo in terms of actual outflows during the year 2021-2022 was Rs. 2863.35 Lakhs (Equivalent value of various currencies)

d) Registrars and Share Transfer Agents:

M/s.GNSA Infotech (P) Limited, Chennai are the Company's common Registrars and Share Transfer Agents (SEBI Regn No.INR200003967) for handling the share transfer work (for shares held in physical and demat form). Their contact address is given below:

GNSA Infotech (P) Limited, Ph.: (044) 4296 2025 "Nelson Chambers", F- Block e-mail: sta@gnsaindia.com STA Department, 4th Floor, Contact Person: Mr.N.Krishnakumar, Director

No.115, Nelson Manickam Road,

Aminthakarai, Chennai - 600 029

e) Share Transfer System:

M/s.GNSA Infotech (P) Limited undertakes the responsibility for approving transfer, transmission, dematerialisation of shares etc. A summary of transactions so approved by the RTA is placed in the subsequent Board Meeting. The Company obtains an annual certificate from Practising Company Secretaries as per the requirement of Regulation 40(9) of Listing Regulations and the same is filed with M/s. BSE Limited and available on the website of the Company.

In terms of the amended Regulation 40 of Listing Regulations w.e.f. 1st April, 2019, transfer of securities in physical form shall not be processed unless the securities are held in the demat mode with a Depository Participant. Further, with effect from 25th January, 2022, SEBI has made it mandatory for listed companies to issue securities in demat mode only while processing any investor service requests viz, issue of duplicate share certificates / sub-division / splitting / consolidation of securities, transmission / transposition of securities etc. Vide its Circular dated 25th January, 2022, SEBI has clarified that listed entities / RTAs shall issue a Letter of Confirmation in lieu of the share certificate while processing any of the aforesaid investor service requests. The transmission requests are processed within seven days after receipt of the specified documents.

Simplified Norms for processing Investor Service Requests: SEBI, vide its Circular dated 3rd November, 2021, has made it mandatory for holders of physical securities to furnish PAN, KYC and Nomination / Opt-out of Nomination details to avail any investor service. Folios wherein any one

of the above mentioned details are not registered by 1st April 2023 shall be frozen. The concerned Members are therefore urged to furnish PAN, KYC and Nomination / Opt out of Nomination by submitting the prescribed forms duly filled through email from their registered email ID to sta@gnsaindia.com / vidhyashankar@bimite.co.in or by sending a physical copy of the prescribed forms duly filled and signed by the registered holders to the address of the RTA mentioned above (Refer Points 6 to 9 in the Notice).

The Company's shares have not been suspended till date in any of the Stock Exchanges wherein they were listed since they were admitted for trading.

ANNEXURE - C TO THE DIRECTORS' REPORT:

CERTIFICATE ON CORPORATE GOVERNANCE

To The Share-holders, Bimetal Bearings Limited "Huzur Gardens", Sembiam, Chennai - 600 011

We have examined all the relevant records for certifying the compliance of conditions of Corporate Governance by Bimetal Bearings Limited (the Company) (CIN.L29130TN1961PLC004466) for the year ended 31st March, 2022, as stipulated in Schedule V of Regulation 34(3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 entered into by the said Company with M/s.BSE Limited (Bombay Stock Exchange).

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the management. The responsibility includes design, implementation and maintenance of internal control and procedures to ensure compliance with conditions of corporate governance as stated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Our Responsibility

Our examination was limited to implementation of the conditions thereof and adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance as stipulated under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Our Opinion

In our opinion and on the basis of our examination of the records produced, explanations and information furnished, we certify that the Company has complied with:

- (i) all the mandatory regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (ii) the following non-mandatory requirements of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015:
 - a. The Company has moved to a regime of financial statements with unmodified audit opinion
 - b. The internal auditors directly reporting to the Audit Committee

This certificate is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure and Development:

The Auto Ancillary segment of the industry has established itself with global level of technology and capabilities. The opportunity to be a global supplier for components has also been possible on account of the enhancement of our capabilities. Hence the demand for products continues to grow not only on the domestic market but also in the global market. The emission standards have been aligned with global standards and we see an opportunity in these markets which has started to explore the supply base from India. With the quality, delivery and price have to be competitive, the important requirement of Global warranty also needs to be studied in the background of Warranty clauses which are provided by the OEM's.

Opportunities & Threats:

The increase in new generation of vehicles which have to conform to stringent emission norms call for manufacture of bearings with matching characteristics. Your Company is positioned to meet these challenges. The change in emission norms and the attendant change in inputs to cater to this demand of engines have been recognized in investment in appropriate technology and processes. Your Company commenced supplies to OEM customers as per the new emission norms from the last year. Electric motive power in relation to replacement of IC engines requires specific attention and focus in order to estimate the extent of shift towards this motive power and the time scale within which it will have significant impact on existing volumes. The Government has been very supportive of the EV Industry with many schemes to support their requirements. The Government also made significant announcement in the increased use of blends in fuel to reduce dependence on oil imports and prices. Your Company is positioned with necessary technology to cater to the blended gasoline being suggested for use by the Government. Your Company is actively monitoring the developments with Vehicle manufacturers. The new powder facility has been in operation for the last year. It has initially been used extensively to support internal requirements. The development of customers in other areas is being progressively implemented and production increased to cater to the new markets.

Segment-wise / Product-wise performance:

The segment-wise products consist of Original Equipment, After Market and Exports. The Company has a strong share of business in the OE Segment and has been upgrading its capabilities to staying technologically relevant to the segment. Continuous effort to further enhance the capabilities in this area has been in operation. In the After Market and Export Segments, the Company supplies parts to several applications. The Company constantly endeavors to upgrade technology, reduce costs and provide integrated solutions. The products manufactured consist of Bearings, Bushings, Thrust Washers, Strips and Alloy Powder.

Outlook:

The increase in the demand for the Company's products used in segments like Heavy Vehicles, Tractors, Powders & Strips are expected to offer good opportunities for the Company. The outlook for the year is expected to be better than the previous year.

Risks and concerns:

The Company has constituted a Risk Management Committee and it takes care of the external and internal risks associated with the operations of the Company. The Board of Directors oversees the Risk Management process including risk identification, impact assessment, effective implementation of the mitigation plans and risk reporting.

Internal Financial Control System:

The internal financial controls followed by the Company are considered adequate and operating effectively. The internal audit of the Company is entrusted to M/s. Gopalaiyer & Subramanian, Chartered Accountants.

Financial Performance:

The prudent management of working capital, treasury operations backed by planned capital expenditure have supported better performance in the current year.

Human Resources and Industrial Relations:

During the year under review, the industrial relations in the Company were cordial. The average number of employees of the Company was 348 during the year.

ANNEXURE - E TO THE DIRECTORS' REPORT:

To: The Members,
Bimetal Bearings Limited
"Huzur Gardens", Sembiam,
Chennai – 600 011.

Our report of even date is to be read along with this letter.

- Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- 2. Due to threat of infection arising out of COVID-19 pandemic, we had to conduct our audit by examining various records and documents including minutes, registers, certificates and other records received through electronic mode as enabled by the Company. We state that we have not done a physical verification of the original documents and records. The management has confirmed that the records provided to us for audit through electronic mode are final, true and correct.
- 3. Further, our audit report is limited to the verification and reporting of the statutory compliances on laws / regulations / guidelines listed in our report and the same pertain to the financial year ended on 31st March 2022.
- 4. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
- 5. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
- 6. The compliance of the provisions of Corporate and other applicable laws, rules, regulations is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
- 7. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Form No.MR-3 SECRETARIAL AUDIT REPORT

(Pursuant to Section 204(1) of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 for the Financial Year ended 31st March 2022

The Members,
Bimetal Bearings Limited
"Huzur Gardens", Sembiam,
Chennai – 600 011.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Bimetal Bearings Limited** (CIN.L29130TN1961PLC004466) (hereinafter called "the Company"). Secretarial Audit was conducted for the financial year ended on 31st March 2022 in a manner that provided us a reasonable basis for evaluating the corporate conduct / statutory compliances and expressing our opinion thereon.

On the basis of the above and on our verification of documents, books, papers, minutes, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of the Audit, we hereby report that in our opinion, the Company has, during the period covered under the Audit as aforesaid, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minutes book, forms and returns filed and other records maintained by the Company for the financial year ended 31st March 2022 according to the provisions of:

- (i) The Companies Act, 2013 and the Rules made thereunder.
- (ii) The Securities Contracts (Regulation) Act, 1956 and the Rules made thereunder.
- (iii) The Depositories Act, 1996 and the Regulations and Bye-Laws framed there under

The following Regulations and Guidelines prescribed under Securities and Exchange Board of India Act, 1992:-

- a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
- c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
- d. The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993.

On the basis of the information and explanation provided, the Company had no transaction during the period under Audit requiring the compliance of applicable provisions of Act / Regulations / Directions as mentioned above in respect of:

- The Foreign Exchange Management Act, 1999 and the Rules and Regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings.
- b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.
- c) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014.
- d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.
- e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009.
- f) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998.

We have also examined the compliance with applicable clauses of the following:

- (i) Listing Agreement entered into with Stock Exchanges.
- (ii) Secretarial Standards under Section 118 of the Companies Act, 2013

During the year under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with the proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes made to the composition of the Board of Directors was duly carried out during the period covered under the Audit.

Adequate notice and detailed notes on Agenda were given to all Directors at least seven days in advance to schedule the Board Meetings. There exists a system for seeking and obtaining further information and clarifications on the Agenda items before the Meeting and for meaningful participation at the Meeting.

Majority decision is carried through and recorded as part of the minutes. No dissenting views were found in the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the period covered under the Audit, the Company has not made any specific actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, referred to above.

INDEPENDENT AUDITOR'S REPORT

To The Members of Bimetal Bearings Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Bimetal Bearings Limited (the "Company"), which comprise the Balance Sheet as at 31st March, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no key audit matters to communicate in our report

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysts report, Report of Directors' and Corporate Governance report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether
 the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or
 otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit
 procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, a s amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the note 15(a) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of it's knowledge and belief, as disclosed in the note 15(b) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity (ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as
 applicable.
 - As stated in note 40 to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.
- 2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bimetal Bearings Limited (the "Company") as of 31st March, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (1) The Company has maintained proper records showing full particulars, including quantitative details and situation of plant, property and equipment, capital work-in-progress.
 - (2) The Company has maintained proper records showing full particulars of intangible assets
 - (b) The Company has a program of verification of property, plant and equipment and capital work-in-progress so to cover all the items once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Based on our examination of the registered sale deed provided to us, we report that, the title deeds of all the immovable properties, other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its property, plant and equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories except for goods-in-transit and stocks held with third parties, were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. For stocks held with third parties at the year-end, written confirmations have been obtained and in respect of goods-in-transit, the goods have been received subsequent to the year end. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories / alternate procedures as applicable, when compared with the books of account.
 - (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of INR 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising (stock statements, book debt statements and other stipulated information) filed by the Company with such banks or financial institutions are in agreement with the unaudited books of account of the Company of the respective quarters, and no material discrepancies have been observed.
- (iii) The Company has made investments in, provided guarantee or security and granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, in respect of which:
 - (a) The Company has provided loans during the year and details of which are given below:

		Loans (Amount in INR Lakhs)
A.	Aggregate amount granted / provided during the year:	
	- Subsidiaries	-
	- Joint Ventures	-
	- Associates	-
	- Others	23.31
В.	Balance outstanding as at balance sheet date in respect of above cases: (gross)	
	- Subsidiaries	-
	- Joint Ventures	-
	- Associates	-
	- Others	4.68

The Company has not provided any guarantee or security to any other entity during the year.

- (b) The investments made, guarantees provided, security given and the terms and conditions of the grant of all the above-mentioned loans and advances in the nature of loans and guarantees provided, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted or advances in the nature of loans provided by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.
- (iv) The Company has not granted any loans hence provisions of Section 185 is not applicable, the Company has not provided any guarantee under section 186, however the Company has made investment which is within the limits of section 186 of the Companies Act, 2013.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities though there has been a delay in respect of remittance of Employees State Insurance, Professional tax, Income-tax and Goods and Service tax during the year.
 - (b) There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues in arrears as at 31st March 2022 for a period of more than six months from the date they became payable.
 - (c) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March 2022 on account of disputes are given below:

Name of Statute	Nature of Dues	Amount Unpaid (INR in Lakhs)	Period to which the amount relates	Forum where dispute is pending
Central Sales Tax, 1956	Sales Tax	0.65*	FY 2013-2014	Commissioner of Central Excise & Service Tax (Appeals)
Central Excise Act, 1944	Excise Duty	67.92	FY 2007-08 to 2011-12	Customs, Excise and Service Tax Appellate Tribunal

^{*} Net of INR 0.03 lakhs paid under protest

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie not been used during the year for long-term purposes by the Company.
 - (e) The Company has not made any investment in or given any new loan or advances to its joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
 - (f) The Company has not raised any loans during the year and hence reporting on clause (ix)(f) of the Order is not applicable.
- (x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
 - (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.

- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) To the best of our knowledge, no report under sub-section 12 of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) As represented to us by the Management there were no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports issued to the Company during the year and covering the period from 1st April 2021 to 31st March 2022, for the period under audit.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with any of its directors or directors of it's holding company, subsidiary company, associate company or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable. The Group does not have any CIC as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub section 6 of section 135 of the said Act. Accordingly, reporting under clause (XX) of the Order is not applicable for the year.

Notes to the Standalone financial statements for the year ended March 31, 2022

1 General Information

Bimetal Bearings Limited ("the Company" or "BBL") is engaged in manufacturing of Engine Bearings, Bushings, Thrust Washers, Alloy Powder and Bimetallic Strips. The Company has manufacturing plants at Coimbatore, Hosur and Chennai. The Company is a public listed company and listed on The Bombay Stock Exchange.

The standalone financial statements were approved for issue by the Board of Directors on May 27, 2022.

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- a) certain financial assets and liabilities (including derivative instruments) that is measured at fair value and
- b) defined benefit plans plan assets measured at fair value

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability ,either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.
- (iii) The Management has considered possible effects, if any, that may result from the pandemic relating to COVID-19 on the carrying amounts of its assets. In developing the assumptions and estimates relating to the uncertainties as at the Balance Sheet date, in relation to the recoverable amounts of these assets, the Management has considered the global economic conditions prevailing as at the date of approval of these financial results, and has used internal and external sources of information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in future due to the impact of the pandemic.

(b) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief operating decision maker. The Managing Director of the Company has been identified as being the chief operating decision maker.

Notes to the Standalone financial statements for the year ended March 31, 2022

(c) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The financial statements are presented in INR, the national currency of India, which is the functional currency of the Company.

(ii) Transaction and balances

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/ (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction. Foreign currency gains and losses are reported on a net basis. This includes changes in the fair value of foreign exchange derivative instruments, which are accounted at fair value through profit or loss.

(d) Revenue recognition

Revenue is recognised when control of the goods, services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Company is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

(i) Sale of goods

Revenue from sale of goods is recognised when control of the goods is transferred to the Customers. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

(ii) Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(iii) Other operating revenue

Income from duty drawback and other export incentives is recognised on accrual basis.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

(i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the standalone statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is

Notes to the Standalone financial statements for the year ended March 31, 2022

(e) Taxation - (Contd.)

(ii) Deferred tax

probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(iii) Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

(f) Leasing

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

As a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Notes to the Standalone financial statements for the year ended March 31, 2022

(f) Leasing (Contd.)

As a lessee

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(g) Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(h) Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of Transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Company are segregated.

(i) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are determined and assigned to individual items of inventory using the weighted average method. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Notes to the Standalone financial statements for the year ended March 31, 2022

(j) Financial instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(k) Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(i) Classification of financial assets

The Company classifies its financial assets in the following measurement categories:

- a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- b) those measured at amortised cost and
- c) those measured at cost

The classification depends on the entity's business model for managing the financial assets, the contractual terms of the cash flows and whether the investment meets the definition of interest in associates and joint ventures. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes. Investments forming part of interest in associates and joint ventures are measured at cost.

(ii) Measurements

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

- Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments:

- a) Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Again or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.
- b) Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or Fair value through other comprehensive income are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other income/ other expenses in the period in which it arises. Interest income from these financial assets is included in other income.

- Equity instruments

The Company subsequently measures all equity investments other than investments forming part of interest in associates and joint

Notes to the Standalone financial statements for the year ended March 31, 2022

(k) Financial assets (Contd.)

(ii) Measurements

ventures at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income/ other expenses in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at cost and amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Refer notes to accounts for the details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- a) The Company has transferred the rights to receive cash flows from the financial asset or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(v) Income recognition

a) Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example: prepayment, extension, call and similar options) but does not consider the expected credit losses.

b) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

(I) Financial liabilities and equity instruments

(i) Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(ii) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs.

Notes to the Standalone financial statements for the year ended March 31, 2022

(I) Financial liabilities and equity instruments (Contd.)

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity.

No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(iii) Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL. However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

(m) Derivatives

The Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The impact of the fair value changes are included in other income.

(n) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(o) Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the standalone balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets on the same basis as other property assets commences when the assets are ready for their intended use.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013. However, the estimates of useful lives of certain assets, based on technical evaluation are different from those specified in Schedule II which are set out below:

Plant and equipment - Useful life 20 years

Assets costing individually upto Rs. 5,000/- are fully depreciated in the year of purchase.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

(p) Intangible assets

(i) Acquired intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Notes to the Standalone financial statements for the year ended March 31, 2022

(p) Intangible assets (Contd.)

(ii) Research and development

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

(iii) Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

iv) Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

Technical Know how - Useful life 5 years

Computer Software - Useful life 6 years

Assets costing individually upto INR 5,000/- are fully amortized in the year of purchase.

(q) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that the reimbursement will be received and the amount of the receivable can be measured reliably.

(i) Onerous contracts

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

Notes to the Standalone financial statements for the year ended March 31, 2022

(r) Employee Benefits

Employee benefits include provident fund, employee state insurance, gratuity fund, super annuation fund and compensated absences.

(i) Retirement benefit costs and termination benefits

Payments to defined contribution Retirement Benefit Plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit Retirement Benefit Plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

(ii) Defined benefit costs are categorised as follows:

- -service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- -net interest expense or income; and
- -remeasurement

For defined benefit plan, in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the scheme. The gratuity fund is maintained with Life Insurance Corporation of India.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

(iii) Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

(s) Exceptional items

Company recognises exceptional item when items of income and expense within the Statement of Profit and Loss from ordinary activities are of such size, nature or incidence that their separate disclosure is relevant to explain the performance of the Company for the period.

Notes to the Standalone financial statements for the year ended March 31, 2022

(t) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(u) Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

Specifically, government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the standalone balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

(v) Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs and decimals thereof as per the requirements of Schedule III, unless otherwise stated.

(w) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(x) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

Estimation of defined benefit obligation - Note 24

Estimation of current tax expense and payable - Note 33

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(y) Recent accounting pronouncements

On March 23, 2022, the Ministry of Corporate Affairs (MCA) issued certain amendments and annual improvements to Ind AS. These amendments are applicable for accounting periods beginning on or after April 1, 2022:

- Ind AS 103 Business Combinations Reference to conceptual framework added.
- Ind AS 16 Property, Plant and Equipment Accounting for proceeds before an asset's intended use.
- Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets Assessing if the contract is onerous.
- Annual improvements to Ind AS Improvements added in Ind AS 101 (First time adoption of Ind AS), Ind AS 109 (Financial Instruments), Ind AS 116 (Leases) and Ind AS 41 (Agriculture).

The Company will evaluate the impact of the above, where applicable, on the financial statements and give impact of the same in the relevant period.

(ii) Terms and rights attached to equity shares

The Company has only one class of equity shares having a par value of INR 10 per share. Each shareholder is entitled to one vote per share. The dividend proposed by the Board of Directors is subject to the approval of the shareholder in the ensuing Annual General Meeting, except in the case of interim dividend. In the event of liquidation of the company, the holders of the equity shares will be entitled to receive any of the remaining assets of the company, after distribution of all preferential amount. The distribution will be in proportion to the number of equity shares held by the shareholders.

Nature and purpose of other reserves

FVOCI equity investments

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

	Signific	ant estimates: actuarial assumptions and sensitivity		
	Discour	nt rate	7.01%	6.71%
	Salary (growth rate	5.13%	5.58%
	Attrition	rate	4.25%	4.16%
	Mortalit			
	- Pre-re	etirement	IALM (2006-08) Ultimate	IALM (2006-08) Ultimate
	- Post-ı	retirement	LIC (1996-98) Ultimate	LIC (1996-98) Ultimate
	(iv) Major o	ategory of plan assets as a % of total plan assets		
	Insurer	managed assets - Balance with Life Insurance Corporation (LIC) of Inc	dia 100 %	100%

^{*} The details with respect to the composition of investments in the fair value of plan assets managed by LIC have not been disclosed in the absence of the above said information.

The expected rate of return on assets is determined based on the assessment made at the beginning of the year on the return expected on its existing portfolio, along with the estimated increment to the plan assets and expected yield on the respective assets in the portfolio during the year.

These plans typically expose the group to risks such as interest rate risk, longevity risk and salary risk.

Interest Rate Risk: A decrease in the bond interest rate will increase the plan liability.

Longevity Risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Significant actuarial assumptions for the determination of the defined obligation are discount rate, and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Notes to the Standalone financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

24.		ons - (Contd.) nsitivity analysis	March 31, 2022 March 31, 20			
	A.	Discount rate +50 BP	7.51%	7.21%		
		Defined benefit obligation [PVO]	753.63	752.48		
	B.	Discount rate -50 BP	6.51%	6.21%		
		Defined benefit obligation [PVO]	797.81	802.43		
	C.	Salary escalation rate +50 BP	5.63%	6.08%		
		Defined benefit obligation [PVO]	798.12	802.59		
	D.	Salary escalation rate -50 BP	4.63%	5.08%		
		Defined benefit obligation [PVO]	753.16	752.12		

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(vi) Expected cash flows

Expected employer contribution / additional provision for future year's are as follows:

	Year 1	Year 2	Year 3	Year 4	Year 5
March 31, 2022	174.56	56.31	68.54	75.42	98.85

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Notes to the Standalone financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

34. Fair value measurements - (Contd.)

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2:

The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

There are no transfers between level 1, 2 and 3 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.
- the fair value of certain financial instruments have been determined based on the buy back offer made by the originator of the instrument
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

(iii) Valuation processes

The company performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values

The main level 3 inputs for unlisted equity securities used by the Company are derived and evaluated as follows:

- Discount rates are determined using a capital asset pricing model to calculate a post tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.
- Risk adjustments specific to the counterparties
- Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period during the quarterly valuation discussion. As part of this discussion the team presents a report that explains the reason for the fair value movements.

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial assets and liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values for bonds and debentures, intercorporate deposits, security deposits and other deposits were calculated based on cash flows discounted using the current interest rate as at the respective reporting date for a similar instrument. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

35. Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements

Notes to the Standalone financial statements for the year ended March 31, 2022

35. Financial risk management - (Contd.)

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Aging analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Liabilities	Rolling cash flow forecasts	Availability of liquid investments, committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward Foreign Exchange Contracts
Market risk - security prices	Investments in equity securities Investments in mutual funds	Sensitivity analysis	Portfolio Diversification

The Company's risk management is carried out by the Chief Financial Officer under policies approved by the Board of Directors. The Chief Financial officer identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(A) Credit risk

Credit risk arises from cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as well as credit esposures to customers including outstanding receivables.

(i) Credit risk management

Credit risk is managed on a Company basis. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the Company assesses and manages credit risk based on internal credit rating system. The finance function consists of a separate team who assess and maintain an internal credit rating system. Internal credit rating is performed on a group basis for each class of financial instruments with different characteristics. The company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- C1: High-quality assets, negligible credit risk
- C2: Doubtful assets, credit-impaired

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information. Especially the following indicators are included -

- Internal credit rating
- External credit rating (as far as available)
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations
- -Actual or expected significant changes in the operating results of the borrower
- Significant increase in credit risk on other financial instruments of the same borrower
- Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements
- Significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of borrowers in the company and changes in the operating results of the borrower.

Macroeconomic information (such as regulatory changes, market interest rate or growth rates) is incorporated as part of the internal rating model.

Notes to the Standalone financial statements for the year ended March 31, 2022

35. Financial risk management - (Contd.)

(ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

Internal credit	Category	Description of category	Basis for recognition of expected credit loss prov		ted credit loss provision
rating	- Category	Dood, past, or category	Investments	Loans and Deposits	Trade receivables
C1	High quality assets, negligible credit risk		12-month expected credit losses	12-month expected credit losses	Life-time expected credit losses (simplified approach)
C2	Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.		Asset is writte	n off

For the Year ended March 31, 2021 to March 31, 2022:

(a) Expected credit loss for loans, security deposits and investments

The estimated gross carrying amount at default is Nil (March 31, 2021: Nil) for investments and loans and deposits. Consequently there are no expected credit loss recognised for these financial assets.

(b) Expected credit loss for trade receivables under simplified approach

Customer credit risk is managed by the Company based on the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an internal credit rating system. Outstanding customer receivables are regularly monitored and assessed for its recoverability. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 12. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers have sufficient capacity to meet the obligations and the risk of default is negligible.

(iii) Reconciliation of loss allowance provision - Trade receivables

Loss allowance on March 31, 2022	-
Changes in loss allowance	-
Loss allowance on March 31, 2021	-
Changes in loss allowance	-
Loss allowance on April 1, 2020	-

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying business, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

Notes to the Standalone financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

35. Financial Risk management - (Contd.)

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

March 31, 2022

March 31, 2021

Floating rate

- Expiring beyond one year

Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR.

(ii) Maturities of financial liabilities

The tables below analyses the company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities:

	Less than 3 months	3 months to 6 months	6 months to 1 year	Between 1 and 2 years	Between 2 and 5 years	Total
March 31, 2022	••	o monuno	. you.	una 2 youro	una o youro

Total non-derivative liabilities	3,993.15	-	-	-	-	3,993.15

(C) Market risk

(i) Foreign currency risk

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD, EUR, GBP and JPY. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR lakhs, are as follows:

		Financial Assets		Financial	Liabilities
	Trade receivables	Balance in EEFC Account	Net exposure to foreign currency risk (assets)	Trade Payables	Net exposure to foreign currency risk (liabilities)
	INR Lakhs	INR Lakhs	INR Lakhs	INR Lakhs	INR Lakhs
USD	782.81	0.02	782.83	-	-
(Previous year)	1,445.19	2.31	1,447.50	175.76	175.76
EUR	14.68	0.01	14.69	239.10	239.10
(Previous year)	115.61	0.22	115.83	239.84	239.84
GBP	27.34	-	27.34	-	-
(Previous year)	10.98	-	10.98	-	-
JPY	-	-	-	547.64	547.64
(Previous year)	-	-	-	583.37	583.37

Notes to the Standalone financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

35. Financial Risk management - (Contd.)

	In Foreign currency	In Foreign currency	In Foreign currency	In Foreign currency	In Foreign currency
	Lakhs	Lakhs	Lakhs	Lakhs	Lakhs
USD	10.55	-	10.55	-	-
(Previous year)	19.93	0.03	19.96	2.40	2.40

JPY	-	-	-	864.46	864.46
(Previous year)	-	-	-	863.49	863.49

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

	March 31, 2022	March 31, 2021
USD sensitivity INR/USD increases by 5%* INR/USD decreases by 5%*	27.74 (27.74)	45.07 (45.07)
EURO sensitivity INR/EURO increases by 5%* INR/EURO decreases by 5%*	(7.95) 7.95	(4.39) 4.39
GBP sensitivity INR/GBP increases by 5%* INR/GBP decreases by 5%*	0.97 (0.97)	0.39 (0.39)
JPY sensitivity INR/JPY increases by 5%* INR/JPY decreases by 5%*	(19.41) 19.41	(20.67) 20.67

^{*}Holding all other variables constant

(ii) Price risk

The Company's exposure to equity securities and mutual fund price risk arises from investments held by the Company and classified in the balance sheet either as fair value through OCI or at fair value through profit or loss .To manage its price risk arising from investments in equity securities and mutual fund, the group diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the company. The majority of the Company's equity investments are publicly traded and are included in the NSE Nifty 50 index.

Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and profit for the period. The analysis is based on the assumption that the equity index had increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

IM	pact on profit a	arter tax	impact on other componen	ts of equity
M	arch 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
NSE Nifty 50 – increase 5%	50.77	68.12	159.84	143.93
NSE Nifty 50 – decrease 5%	(50.77)	(68.12)	(159.84)	(143.93)

Profit for the period would increase/decrease as a result of gains/losses on mutual fund classified as at fair value through profit or loss. Other components of equity would increase/decrease as a result of gains/losses on equity securities classified as fair value though other comprehensive income.

36. Capital management

(a) Dividends	March 31, 2022	March 31, 2021
(i) Equity shares		
Final dividend for the year ended March 31, 2022 of INR 8/- (March 31, 2021 of INR 8/-) per fully paid share (ii) Dividends not recognised at the end of the reporting period (Ref	306.00 fer Note 40)	306.00

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To The Members of Bimetal Bearings Limited Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Bimetal Bearings Limited ("the Parent") and the group's share of profit in its joint venture (the Parent and its joint venture together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2022, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management
 Discussion and Analysts report, Report of Directors' and Corporate Governance report, but does not include the consolidated financial statements,
 standalone financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the joint venture and consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit
 procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
 Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the
 management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a
 material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we
 conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial
 statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our
 auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on
 the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such
 entities or business activities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, returns.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parent as on 31st March, 2022 taken on record by the Board of Directors of the Company, none of the directors of the Group companies, incorporated in India is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditor's report of the Parent, joint venture companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent and joint venture companies to their respective directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group;
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent and its joint venture companies, incorporated in India.
 - iv) a) The respective Managements of the Parent and its joint venture which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us, as disclosed in the note 15 to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent or joint venture to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent or joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The respective Managements of the Parent and joint venture which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us, as disclosed in the note 15 to consolidated financial statements, no funds have been received by the Parent or joint venture from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent or joint venture shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v) The final dividend proposed in the previous year, declared and paid by the Parent during the year is in accordance with section 123 of the Act, as applicable.
 - 1. As stated in note 40 to the consolidated financial statements, the Board of Directors of the Parent, have proposed final dividend for the year which is subject to the approval of the members of the Parent at the ensuing Annual General Meeting. Such dividend proposed is in accordance with section 123 of the Act, as applicable.
 - With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us, we have not reported any qualification or adverse remark in the CARO reports of the Parent and its joint venture.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f)under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March 2022, we have audited the internal financial controls over financial reporting of Bimetal Bearings Limited (hereinafter referred to as "Parent"), which includes internal financial controls over financial reporting its joint venture, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent and its joint venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent and its joint venture, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its joint venture, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Parent and its joint venture which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated financial statements for the year ended March 31, 2022

1. General Information

Bimetal Bearings Limited ("the Group" or "BBL") is engaged in manufacturing of Engine Bearings, Bushings, Thrust Washers, Alloy Powder and Bimetallic Strips. The Group has manufacturing plants at Coimbatore, Hosur and Chennai. The Group is a public listed company and listed on The Bombay Stock Exchange. In addition the company has an investment in an associate and a joint venture which have been collectively referred to as "the Group".

The consolidated financial statements were approved for issue by the board of directors on May 27, 2022.

2. Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- a) certain financial assets and liabilities (including derivative instruments) that is measured at fair value and
- b) defined benefit plans plan assets measured at fair value

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurement are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability ,either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.
- (iii) The Group management has considered possible effects, if any, that may result from the pandemic relating to COVID-19 on the carrying amounts of its assets. In developing the assumptions and estimates relating to the uncertainties as at the Balance Sheet date, in relation to the recoverable amounts of these assets, the group management has considered the global economic conditions prevailing as at the date of approval of these financial results, and has used internal and external sources of information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in future due to the impact of the pandemic.

(iv) Principles of consolidation and equity accounting

- Associates

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investment in associates are accounted for using the equity method of accounting (see (iii) below), after initially being recognised at cost.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(a) Basis of preparation - (Contd.)

(iv) Principles of consolidation and equity accounting

- Joint arrangements

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligation of each investor, rather than the legal structure of the joint arrangement. Bimetal Bearings Limited has determined its interest in a joint arrangement to be in the nature of joint venture.

- Joint venture

Interests in joint ventures are accounted for using the equity method (see below), after initially being recognised at cost in the consolidated balance sheet.

(v) Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 2(g) below.

(vi) Following associate and joint venture entities have been considered in the preparation of the consolidated financial statements:

Name of the entity	Relationship	elationship Country of Ownership held by Incorporation		% of Holding and voting power either directly or indirectly through subsidiary as at			
				March 31,2022	March 31,2021		
IPL Green Power Limited	Associate	India	Bimetal Bearings Limited	-	24.19%		
BBL Daido Private Limited	Joint Venture	India	Bimetal Bearings Limited	20.00%	20.00%		

(b) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief operating decision maker. The Managing Director of the Company has been identified as being the chief operating decision maker.

(c) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The financial statements are presented in INR, the national currency of India, which is the functional currency of the Group.

(ii) Transaction and balances

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/ (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction. Foreign currency gains and losses are reported on a net basis. This includes changes in the fair value of foreign exchange derivative instruments, which are accounted at fair value through profit or loss.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(d) Revenue recognition

Revenue is recognised when control of the goods, services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Group is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. However, Goods and Service tax (GST) are not received by the Group on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

(i) Sale of goods

Revenue from sale of goods is recognised when control of the goods is transferred to the Customers. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

(ii) Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(iii) Other operating revenue

Income from duty drawback and other export incentives is recognised on accrual basis.

(e) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

(i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the consolidated statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in associates, and interests in joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(iii) Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(f) Leasing

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

As a lessee

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(g) Impairment of assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(h) Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of Transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Group are segregated.

(i) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are determined and assigned to individual items of inventory using the weighted average method. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

(j) Financial instruments

Financial assets and financial liabilities are recognised when a Group entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(k) Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(i) Classification of financial assets

The Group classifies its financial assets in the following measurement categories:

- a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- b) those measured at amortised cost and
- c) those measured at cost

The classification depends on the entity's business model for managing the financial assets, the contractual terms of the cash flows and whether the investment meets the definition of interest in associates and joint ventures. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Group reclassifies debt investments when and only when its business model for managing those assets changes. Investments forming part of interest in associates and joint ventures are measured at cost.

(ii) Measurements

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

- Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Group classifies its debt instruments:

a) Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(k) Financial assets - (Contd.)

(ii) Measurements

b) Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or Fair value through other comprehensive income are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other income/ other expenses in the period in which it arises. Interest income from these financial assets is included in other income.

- Equity instruments

The Group subsequently measures all equity investments other than investments forming part of interest in associates and joint ventures at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income/ other expenses in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iii) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at cost and amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Refer notes to accounts for the details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- a) The Group has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(v) Income recognition

a) Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example: prepayment, extension, call and similar options) but does not consider the expected credit losses.

b) Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(I) Financial liabilities and equity instruments

(i) Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(ii) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Group's own equity instruments is recognised and deducted directly in equity.

No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Group's own equity instruments.

(iii) Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

(m) Derivatives

The Group enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The impact of the fair value changes are included in other income.

(n) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

(o) Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets on the same basis as other property assets commences when the assets are ready for their intended use.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013. However, the estimates of useful lives of certain assets, based on technical evaluation are different from those specified in Schedule II which are set out below:

Plant and equipment - Useful life 20 years

Assets costing individually upto Rs. 5,000/- are fully depreciated in the year of purchase.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

(p) Intangible assets

(i) Acquired intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(p) Intangible assets - (Contd.)

(ii) Research and development

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

An internally-generated intangible asset arising from development (or from the development phase of an internal project) is recognised if, and only if, all of the following have been demonstrated:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- how the intangible asset will generate probable future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset;
- the ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally-generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally-generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally-generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

(iii) Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

(iv) Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:

Technical Know how - Useful life 5 years

Computer Software - Useful life 6 years

Assets costing individually upto INR 5,000/- are fully amortized in the year of purchase.

(q) Provisions

Provisions are recognised when the group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(i) Onerous contracts

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Group has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

(r) Employee Benefits

Employee benefits include provident fund, employee state insurance, gratuity fund, superannuation fund and compensated absences.

(i) Retirement benefit costs and termination benefits

Payments to defined contribution Retirement Benefit Plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(r) Employee Benefits - (Contd.)

For defined benefit Retirement Benefit Plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

(ii) Defined benefit costs are categorised as follows:

- -service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- -net interest expense or income; and
- -remeasurement

For defined benefit plan, in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the scheme. The gratuity fund is maintained with Life Insurance Corporation of India.

The Group presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Group's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

(iii) Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

(s) Exceptional items

Group recognises exceptional item when items of income and expense within the Statement of Profit and Loss from ordinary activities are of such size, nature or incidence that their separate disclosure is relevant to explain the performance of the Group for the period.

(t) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(u) Government grants

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate.

Specifically, Government grants whose primary condition is that the Group should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the consolidated balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognised in profit or loss in the period in which they become receivable.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(v) Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs and decimals thereof as per the requirements of Schedule III, unless otherwise stated.

(w) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(x) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

Estimation of defined benefit obligation - Note 24

Estimation of current tax expense and payable - Note 33

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

(y) Recent accounting pronouncements

On March 23, 2022, the Ministry of Corporate Affairs (MCA) issued certain amendments and annual improvements to Ind AS. These amendments are applicable for accounting periods beginning on or after April 1, 2022:

- Ind AS 103 Business Combinations Reference to conceptual framework added.
- Ind AS 16 Property, Plant and Equipment Accounting for proceeds before an asset's intended use.
- Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets Assessing if the contract is onerous.
- Annual improvements to Ind AS Improvements added in Ind AS 101 (First time adoption of Ind AS), Ind AS 109 (Financial Instruments), Ind AS 116 (Leases) and Ind AS 41 (Agriculture).

The Company will evaluate the impact of the above, where applicable, on the financial statements and give impact of the same in the relevant period.

Nature and purpose of other reserves

FVOCI equity investments

The Group has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The Group transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

24.	Provisions - (Contd.)	As at ch 31, 2022	As at March 31, 2021
	(iii) Post-employment benefits		
	Significant estimates: actuarial assumptions and sensitivity		
	Discount rate	7.01%	6.71%
	Salary growth rate	5.13%	5.58%
	Attrition rate	4.25%	4.16%
	Mortality Rate		
	- Pre-retirement IALM	(2006-08) Ultimate	IALM (2006-08) Ultimate
	- Post-retirement LIC	(1996-98) Ultimate	LIC (1996-98) Ultimate
	(iv) Major category of plan assets as a % of total plan assets		
	Insurer managed assets - Balance with Life Insurance Corporation (LIC) of India	100%	100%

^{*} The details with respect to the composition of investments in the fair value of plan assets managed by LIC have not been disclosed in the absence of the above said information.

The expected rate of return on assets is determined based on the assessment made at the beginning of the year on the return expected on its existing portfolio, along with the estimated increment to the plan assets and expected yield on the respective assets in the portfolio during the year.

These plans typically expose the Group to risks such as interest rate risk, longevity risk and salary risk.

Interest Rate Risk: A decrease in the bond interest rate will increase the plan liability.

Longevity Risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Significant actuarial assumptions for the determination of the defined obligation are discount rate, and expected salary increase. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(v) Sensitivity analysis

A.	Discount rate +50 BP	7.51%	7.21%
	Defined benefit obligation [PVO]	753.63	752.48
B.	Discount rate -50 BP	6.51%	6.21%
	Defined benefit obligation [PVO]	797.81	802.43
C.	Salary escalation rate +50 BP	5.63%	6.08%
	Defined benefit obligation [PVO]	798.12	802.59
D.	Salary escalation rate -50 BP	4.63%	5.08%
	Defined benefit obligation [PVO]	753.16	752.12

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

24. Provisions - (Contd.)

(vi) Expected cash flows

Expected employer contribution / additional provision for future year's are as follows:

	Year 1	Year 2	Year 3	Year 4	Year 5
March 31, 2022	174.56	56.31	68.54	75.42	98.85
March 31, 2021	130.92	61.37	54.82	71.90	82.71

Experience adjustments

	(a)	Revenue from sale of products	18,806.11	15,192.59
25.	Revenue	from operations		
			March 31 ,2022	March 31 ,2021

Disaggregate revenue information

The Company believes that this dissaggregation best depicts how the nature, amount, timing and uncertainty of revenues and cash flows are affected.

Accordingly, the disaggregation by type of goods and geography is provided in the table given below:

Revenue by type of goods

Total re	evenue from operations	19,692.85	15,846.41
Others		886.74	653.82
Bearing	s, bushings and allied products	18,806.11	15,192.59

The Company disaggregate the revenue based on geographic locations and it is disclosed under note 43 'Segment reporting'

Applying the practical expedient as given in Ind AS 115, the Group has not disclosed remaining performance obligation related disclosure for contracts that have original expected duration of one year or less.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements

At March 31, 2021	Notes	Level 1	Level 2	Level 3	Total
Financial assets					
Financial Investments at Cost

Level 1:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2:

The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3:

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

There are no transfers between levels 1, 2 and 3 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.
- the fair value of certain financial instruments have been determined based on the buy back offer made by the originator of the instrument
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

(iii) Valuation processes

The Group performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values

The main level 3 inputs for unlisted equity securities used by the Company are derived and evaluated as follows:

- Discount rates are determined using a capital asset pricing model to calculate a post tax rate that reflects current

Notes to the Consolidated financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

34. Fair value measurements Contd...

market assessments of the time value of money and the risk specific to the asset.

- Risk adjustments specific to the counterparties
- Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period during the quarterly valuation discussion. As part of this discussion the team presents a report that explains the reason for the fair value movements.

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial assets and liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values for bonds and debentures, intercorporate deposits, security deposits and other deposits were calculated based on cash flows discounted using the current interest rate as at the respective reporting date for a similar instrument. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

35. Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Aging analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Liabilities	Rolling cash flow forecasts	Availability of liquid investments, committed credit lines and borrowing facilities
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward Foreign Exchange Contracts
Market risk - security prices	Investments in equity securities Investments in mutual funds	Sensitivity analysis	Portfolio Diversification

The Company's risk management is carried out by the Chief Financial Officer under policies approved by the Board of Directors. The Chief Financial officer identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(A) Credit risk

Credit risk arises from cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

(i) Credit risk management

Credit risk is managed on a Company basis. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the Company assesses and manages credit risk based on internal credit rating system. The finance function consists of a separate team who assess and maintain an internal credit rating system. Internal credit rating is performed on a group basis for each class of financial instruments with different characteristics. The company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

C1: High-quality assets, negligible credit risk

C2: Doubtful assets, credit-impaired

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a

Notes to the Consolidated financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

35. Financial risk management - (Contd.)

significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information. Especially the following indicators are included -

- Internal credit rating
- External credit rating (as far as available)
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations
- Actual or expected significant changes in the operating results of the borrower
- Significant increase in credit risk on other financial instruments of the same borrower
- Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements
- Significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of borrowers in the company and changes in the operating results of the borrower.

Macroeconomic information (such as regulatory changes, market interest rate or growth rates) is incorporated as part of the internal rating model.

(ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

Internal credit	Category	Description of category	Basis for recognition of expected credit loss provision			
rating			Investments	Loans and Deposits	Trade receivables	
C1	High quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil.	12-month expected credit losses	12-month expected credit losses	Life-time expected credit losses (simplified approach)	
C2	Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Asset is written off		n off	

For the Year ended March 31, 2021 to March 31, 2022:

(a) Expected credit loss for loans, security deposits and investments

The estimated gross carrying amount at default is Nil (March 31, 2021: Nil) for investments and loans and deposits. Consequently there are no expected credit loss recognised for these financial assets.

(b) Expected credit loss for trade receivables under simplified approach

Customer credit risk is managed by the Company based on the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an internal credit rating system. Outstanding customer receivables are regularly monitored and assessed for its recoverability. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 12. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers have sufficient capacity to meet the obligations and the risk of default is negligible.

(iii) Reconciliation of loss allowance provision - Trade receivables

Loss allowance on April 1, 2020	-
Changes in loss allowance	-
Loss allowance on March 31, 2021	-
Changes in loss allowance	-
Loss allowance on March 31, 2022	-

Notes to the Consolidated financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

35. Financial Risk management - (Contd.)

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying business, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

March 31, 2022

March 31, 2021

Floating rate

- Expiring beyond one year

Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR.

(ii) Maturities of financial liabilities

The tables below analyses the company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities:

	Less than 3 months	3 months to 6 months	6 months to 1 year	Between 1 and 2 years	Between 2 and 5 years	Total
March 31, 2022			•	•	•	
Non-derivatives

Other financial liabilities	310.11	-	-	-	-	310.11
Borrowings	479.53	_				479.53
Total non-derivative liabilities	3.993.15	_	_	_	_	3.993.15

(C) Market risk

(i) Foreign currency risk

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD, EUR, GBP and JPY. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR lakhs, are as follows:

Notes to the Consolidated financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

35. Financial Risk management - (Contd.)

	Financial Assets			Financial	Liabilities
	Trade receivables	Balance in EEFC Account	Net exposure to foreign currency risk (assets)	Trade Payables	Net exposure to foreign currency risk (liabilities)

(Previous year)	-	-	-	863.49	863.49

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

	Impact on profit after tax		
	March 31, 2022	March 31, 2021	
USD sensitivity INR/USD increases by 5%* INR/USD decreases by 5%*	27.74 (27.74)	45.07 (45.07)	
EURO sensitivity INR/EURO increases by 5%* INR/EURO decreases by 5%*	(7.95) 7.95	(4.39) 4.39	
GBP sensitivity INR/GBP increases by 5%* INR/GBP decreases by 5%*	0.97 (0.97)	0.39 (0.39)	
JPY sensitivity INR/JPY increases by 5%* INR/JPY decreases by 5%*	(19.41) 19.41	(20.67) 20.67	

^{*}Holding all other variables constant

(ii) Price risk

The Company's exposure to equity securities and mutual fund price risk arises from investments held by the Company and classified in the balance sheet either as fair value through OCI or at fair value through profit or loss .To manage its price risk arising from investments in equity securities and mutual fund, the group diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the company. The majority of the Company's equity investments are publicly traded and are included in the NSE Nifty 50 index.

Sensitivity

The table below summarises the impact of increases / decreases of the index on the Company's equity and profit for the period. The analysis is based on the assumption that the equity index had increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Notes to the Consolidated financial statements for the year ended March 31, 2022

(All amounts are in INR Lakhs, unless otherwise stated)

35. Financial Risk management - (Contd.)

li li	Impact on profit after tax		Impact on other components of equity	
l	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
NSE Nifty 50 – increase 5%	50.77	68.12	159.84	143.93
NSE Nifty 50 – decrease 5%	(50.77)	(68.12)	(159.84)	(143.93)

Profit for the period would increase/decrease as a result of gains/losses on mutual fund classified as at fair value through profit or loss. Other components of equity would increase/decrease as a result of gains/losses on equity securities classified as fair value though other comprehensive income.

36. Capital management

49. Investment in IPL Green Power Limited

Consequent to the inordinate delay in getting statutory approvals, the Management of IPL Green Power Limited (the associate) is of the opinion that the current project may not be viable. Consequently the associate has initiated the voluntary winding up process during the previous year and was wound up on 23 November, 2021.

50. Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.
